Step aboard our dance floor...

Escape to NewcastleGateshead's most exclusive place to party.

Be it a birthday, hen night or work party our famous 3-hour Party Cruises can accommodate groups of any size up to 180 people. Come rain or shine the party will always be in full swing. On long hot summer nights the party spills out on-deck, while in winter the lower deck lounges offer all the comfort and style of a Quayside bar and is a great place to hit the dance floor.

Party nights are held on most Friday and Saturday nights during the high season and include a river cruise, buffet and great music hosted by one of our resident DJs.

Boarding from Newcastle Quayside, the cruise sets sail to the mouth of the River Tyne before returning to the Quayside.

The fun does not have to stop there as you can party on board until 11.30pm, which still allows enough time once back on dry land to sample NewcastleGateshead's vibrant night life.
