Tourism & Sightseeing

A River Escapes sightseeing cruise offers an unrivalled way to experience one of the North's great cities and its evolving industries, taking you from past to present, from the once thriving maritime heritage, to world renowned landmarks.

Quay to City - 1hr Cruise

Escape the hustle and bustle of the city for a while, to a place where you can take in NewcastleGateshead's finest and most famous riverside scenery aboard the Coventina.

Our 1 hour 'Quay to City' cruise offers you a 'snapshot' of both our 2 and 3 hour cruises. This cruise offers you a fantastic opportunity to view the landmarks of our famous city from the river and to enjoy the spectacular panorama of the Tyne Gorge, including all seven bridges.

The 'Quay to City' cruise is complimented by a recorded commentary from one of our most experienced commentators.

This cruise operates on Saturdays throughout June - September.

Quayside to Countryside - 2hr Cruise

The 'Quayside to Countryside' two hour cruise sails from Newcastle's Quayside upriver as far as Ryton Willows Nature Reserve and Newburn Countryside Park. The cruise takes you under eleven of the Tyne's bridges, including the Gateshead Millennium Bridge, Tyne Bridge, Swing Bridge and High Level Bridge as well as passing places associated with the world famous Blaydon Races.

It is almost forty years since river trips have travelled so far up river and it is proving a popular return. The cruise, which turns at Ryton Willows for the return journey to Newcastle Quayside, offers a unique opportunity to enjoy the upriver wildlife where seals, grey herons and many more species of wading birds and ducks are regularly spotted.

Board 12.15, and sail 12.30 and return at 14.30

Quay to Sea - 3hr Cruise

The 'Quay to Sea' three hour cruise is a fantastic way to see the changing face of the River Tyne from the best vantage point in town. The cruise takes you under the magical Gateshead Millennium Bridge, which opens especially for the cruise to enjoy the panorama of the Tyne Gorge before returning downriver as far as the river mouth.

On your cruise you will see the legendary shipyards of Tyneside, the International Ferry Terminals, the Port of Tyne, the Fish Quay and the glorious vistas of the river mouth, including Tynemouth Castle and Priory, the memorial to Admiral Lord Collingwood and the beautiful sandy beaches of South Shields. The cruise turns at the piers, where seals and dolphins are regularly seen and returns to Newcastle Quayside.

Board 11.00, and sail 12.00 and return at 15.00
